We're crushing on the new Happy Hour at one of our favorite sushi joints, Blue. From 3-6:30 p.m. Monday through Saturday, sake is just \$2, beers are \$3.50, and signature martinis, like the Samurai Saketini

(cucumber-infused vodka, unfiltered sake, lime juice, and simple syrup) are quaffable at just \$6 bucks. Add sushi specials to match, and you've got an over-the-top Happy Hour.
