

8 Wildly Creative Sushi Rolls in Dallas–Fort Worth

Steven Lindsey

March 23, 2016

Plain-old California rolls just won't cut it anymore — the new breed of sushi rolls are wildly imaginative (pork belly? fish heads?). Here are eight über-creative options to try right now around Dallas.

Cowgirl Roll at Blue Sushi Sake Grill

Barbecue and sushi may seem like an oddball combination. And you'd be correct, especially when we're talkin' vegan BBQ. This roll contains no fish (of course), but the tempura-fried pickle, Sriracha-fried onion rings and vegan mayo are all wrapped in tomato-smoked soy paper loaded with BBQ spices. Saddle up to the sushi bar at either the Fort Worth or Dallas location of this popular hangout for something crazy different.
