### **Flagship, O'Dell brew available at Blatt**

Flagship Restaurant Group has again partnered with O'Dell Brewing Co. for a limited-release beer, available at Blatt Beer and Table locations.

Flagship Brandy Barrel Aged is an American double brown ale available now.

Aging the beer in brandy barrels created a unique combination of sweet and slightly spicy flavors. With notes of cherry cordials, vanilla, caramel, oak, chicory and a powerful chocolate essence, this ABA is bold, smooth and slightly sweet. Recommended food pairings include Blatt's Down South pork and dill potato salad or its s'mores pot de crème dessert.

The downtown location of Blatt, 610 N. 12th St., and the Legacy location, 2835 S. 170th Plaza, will sell the beer in growlers or crowlers for \$23. The beer will also be available inside Flagship Commons at Westroads Mall.
