

## 16 Best Sushi Restaurants in Kansas City

April 14, 2017

Danielle Cruz

Sushi has become an incredibly chic meal in the US. Sushi bars and restaurants are popping up all over major cities and we are excited for Kansas City to get in on this super trendy meal. From the large chains on the Plaza to the small mom and pop shops down the block, we've searched for the best sushi restaurants in Kansas City. These 16 restaurants impressed us with their inventive menus, appetizing flavors, vibrant spaces, and authenticity.

### Blue Sushi Sake Grill

4705 Rainbow Blvd, Westwood, KS 66205 | [website](#)

The relatively new sushi spot opened less than a year ago and already there is so much buzz around the trendy eatery. Creative rolls including vegan options and traditional Japanese plates are at the core of Blue Sushi Grill. The fun, laid back ambiance and inventive menu items makes Blue Sushi the perfect place to hangout with friends or take a first date.
